Position: Math Tutor
Program Area: SE Portland
Location: David Douglas High School

Schedule: Monday’s 2:30pm - 4:30pm / Wednesday’s 2:30pm - 4:30pm

Position Summary: Helping Immigrants and Refugee students with math homework, answering any questions, and at times coming up with things the student needs to practice to supplement their learning and fill any gaps in knowledge that there may be.

Qualifications:
• Desire to work with middle school students
• Must be reliable, accountable, punctual, trustworthy, and flexible
• General enthusiasm for math and helping people understand/learn math
• The ability to teach new concepts and answer questions over many topics in mathematics

Time Commitment: 6 month to a year
Age Requirement: 18 and over
