Position: Visual Communication Project Volunteer

Program Area: IRCO Community Development

Location: Remote

Schedule: TBD based on project schedule

Project Description: IRCO’s Community Development team is looking for a few highly skilled volunteers interested in helping to produce various communication tasks including:

- Creating public facing site for the team
- Team logo
- Crafting communication aids such as flyers, posters, memes, etc.
- Creating short videos with dubbed or subtitled content

Qualifications:

- Universal Design (UD) experience preferred
- Experience with translating verbal or written information into visual information
- Deep comfort with technology. This project will be using Microsoft 360 application, Canva, and other web-based platforms to create content.
- Please send a description of your experience/skills in the listed areas or a CV/resume
